Vehicle **Repossessions**

Involuntary or Voluntary we are experts at recovering collateral. Not only are we a repossession company, we are also your solution for complete collateral recovery in the entire Tampa Bay area. Cars, Trucks, Vans, Boats, R.V.'s, Trailers, Limo's, Motorcycles, Mobile homes, Heavy Equipment and much more.

Commercial **Repossessions**

A Supercar Recovery specializes in large/small farm equipment, large/small construction equipment, trucks and trailers. We currently service some of the nation's largest equipment finance companies and we are prepared to meet all of your commercial collateral recovery needs no matter what it is.

Luxury Auto **Transports**

Transporting special automobiles require special care and attention. With extensive experience in providing car shipping services, we know what needs to be done to transport your automobile safely. We've built a powerful reputation for being one of the most trusted and most reliable specialty transport companies around. We are insured, licensed, and bonded transport specialists who care about your car.

Digital LPR **Scanning**

With a national network of more than 440 recovery professionals ("Affiliates") operating 1,800 cameras covering all of the major metropolitan areas 24/7, DRN is increasing recovery rates and reducing risk for lenders and repossession professionals all over the United States. To date, DRN's Affiliate network has scanned over 300 million plates and consistently scans in excess of 1 million plates per day."
